

# I WILL BE THERE

Stoller/Bellan

We gather here  
Your Spirit's near  
And we know we're in the presence of Your love  
This bread we break  
This cup we take  
Is Your life poured out in love for us today

By Your body and Your blood You took away our strife  
Your precious Lamb so fair and good  
Gave us eternal life

Do this in remembrance of me  
As you lay your burdens down and kneel in prayer  
When two or more of you are gathered in My name  
I will be there, too

So now we kneel  
Your love so real  
That nothing can replace this moment here

By Your love and Your Holy might You washed away our sins  
Banished darkness and gave us light  
That we might live again

Do this in remembrance of Me  
As you lay your burdens down and kneel in prayer  
When two or more of you are gathered in My name  
I will be there too

"I am the bread of life" says the Lord  
"Who believes in me will not die but live forever  
If you eat of My body and drink of My blood  
You shall have, you shall have life within you"

Do this in remembrance of me  
As you lay your burdens down and kneel in prayer  
When two or more of you are gathered in My name  
I will be there, too  
I will be there, too
