

# TEMPTATION

Stoller/Bellan

Well you can promise all the stars up in the heavens  
But they weren't made by you, and they're not yours to give  
You also tried to tempt Him  
But my Lord never gave in  
And for His love alone I live

Temptation you're so sure to find me  
Get thee behind me  
Don't want to see your face again  
Although we've met before  
I chose to close that door  
When Jesus came into my life

They say His solitary walk was in the desert  
For forty days and forty nights He prayed alone  
Imagine how He suffered  
No bed no food no water  
I am so humbled by my Lord

Temptation you're so sure to find me  
Get thee behind me  
Don't want to see your face again  
Although we've met before  
I chose to close that door  
When Jesus came into my life

Riches and power  
Made by the hour  
Come and go like the wind  
The strength that I long for  
Comes from the knowledge  
that I am loved by Him

Temptation you're so sure to find me  
Get thee behind me  
Don't want to see your face again  
Although we've met before  
I chose to close that door  
When Jesus came into my life  
When Jesus came into, When Jesus came into  
When Jesus came into my life
